Sir:

This is submitted in response to the Official Action dated April 30, 2007.

The Applicants acknowledge the restriction requirement which divides the Application into Group I, including Claims 1-6; Group II, including Claims 7-12; and Group III, including Claims 13-32.

The Applicants elect, without traverse, Group III, including Claims 13-32. Consideration on the merits is respectfully requested.

The Applicants acknowledge the requirement for the election of species.

The Applicants elect the specific compound of Formula II wherein R1= R5 =phenyl, R2 = ethyl and R3=R4=methyl. The Applicants believe that at least Claims 13-16, 18-26 and 28-32 read on the elected compound.

The Applicants also elect HCl as the pharmaceutically acceptable salt. The Applicants believe that at least Claims 13-16, 18-20, 23-26 and 28-30 read on that pharmaceutically salt.

The Applicants specifically reserve the right to request rejoinder at an appropriate time. In the meantime, prompt examination on the merits is respectfully requested.

Respectfully submitted,
